NOMINEE

Name: .....

Please state ONLY the name of the person OR the company/organization you wish to win the award. For 'Ship of the Year' only, please state name of vessel plus name of owning/operating entity. Please note that some award categories are specific to either personalities or companies, not both).

Supporting reasons for nomination: .....

IMPORTANT:

You may only nominate one person or company/organization in each award category. To submit nominations in more than one category, use separate forms (you may photocopy this form). All nominations MUST be in English language, clearly legible and the form must be completed in full, including supporting reasons that state why your candidate merits the award and your own details (see below). Alternatively, nominations can also be made on-line through www.lloydslist.com.

Nominations will also be accepted by simple fax or e-mail, but must include all contact information (as below), clearly state the category of award and nominated individual/company/organization, and include reasons why your candidate would be a worthy winner in no more than 500 words for each nominee/category.

Lloyd's List reserves all rights to exclude any nomination that is improperly submitted or after the closing date. Thereafter, all decisions made by the independent panel of judges shall be final. For further information on rules, procedures and who the awards are open to, please carefully read the *Lloyd's List* **Greek Shipping Awards 2009** brochure or consult our website.
